

Acton-Boxborough Regional School District
Tennis Court Rental Schedule
2012

All rentals are subject to change/delay depending on the needs of high school tennis teams. *Users may be bumped from a permitted date if courts are needed by the school teams for rain make-ups. In addition, a permitted use may start late if high school matches are running longer than anticipated.*

Cost: \$12/hour (not charged for days when poor weather prevents play).

Available Courts: Junior High Tennis Courts (4)

ABRSD staff will hang nets and make repairs to them as needed. Please contact A-B Community Ed. if there are issues with any nets. ABRSD staff do not squeegee courts. Users should bring their own equipment.
